Response to Amendment

1. The reply filed on February 24, 2004 is not fully responsive to the prior Office Action because:

Applicant's attorney failed to address paragraph 10 of the Office action of November 26, 2003. Applicant's attorney failed to provide any good and sufficient reason for the claims retention during pendency in more than one application. Since both application claims the same and common subject matter, with being amended 09/822,322 being broader of the two, the applications do not maintain a clear line of demarcation between the applications. See MPEP §822.

2. Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

3. The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the **SIX (6) MONTH** statutory period or obtain an extension for more than **FIVE (5) MONTHS** beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.
